Dear Steve

## NORTH HILL HOUSE, HEADINGLEY – UNIVERSITY OF LEEDS

May I take this opportunity to thank yourself, Brian and all involved with the works at North Hill House.

This has been a very challenging project but the client and design team has been particularly impressed by the manner in which you have undertaken the works and particularly the high standard of finishing achieved.

There remain one or two minor items to resolve but the project is a credit to your team.

Yours sincerely

David Standhaven  
On behalf of  
Farrell & Clark LLP
